

Terms and Conditions

Meshmaker (meshmaker.net)

Last Updated: June 29, 2026

These Terms & Conditions (“Terms”) govern your access to and use of Meshmaker, a subscription-based digital content platform operated by Galactic Armory LLC (“Galactic Armory,” “we,” “us,” or “our”).

By creating an account, purchasing a subscription, accessing downloadable files, participating in community features, or otherwise using Meshmaker, you agree to these Terms. If you do not agree, do not use Meshmaker.

1. The Meshmaker Platform

Meshmaker is a Galactic Armory membership platform for posts, collections, community interaction, Discord-linked access, and downloadable 3D model files.

2. Eligibility

You must be at least 18 years old, or the age of majority in your jurisdiction, to create an account or purchase a subscription. If you use Meshmaker on behalf of a company or organization, you represent that you have authority to bind that entity to these Terms.

3. Accounts

You may need an account to access certain features. You agree to provide accurate information and keep your account information current.

You are responsible for maintaining the confidentiality of your login credentials and for all activity that occurs under your account.

You may not share, sell, transfer, sublicense, or provide access to your account to any other person or group. Subscriptions are for individual account use only unless Galactic Armory provides written permission otherwise.

We may require email verification, password reset, identity confirmation, or other account-security steps before allowing access to certain features.

4. Subscription Plans

Meshmaker may offer free accounts and paid subscription tiers. The current MVP subscription structure includes:

Free Account

A Free Account may allow account access, email alerts, and limited public or free content access. Free Accounts do not include paid community features or downloadable subscription model files unless Galactic Armory grants access separately.

Community Subscription / Grunt

A Community Subscription, also called Grunt, includes community access features such as comments, likes, and Discord-linked access where available. It does not include downloadable 3D model files unless Galactic Armory states otherwise in writing.

Member Subscription / Specialist

A Member Subscription, also called Specialist, includes Community features plus access to downloadable subscription-included 3D model files according to the access rules in these Terms.

Subscription names, features, prices, and availability may change over time.

5. Automatic Renewal

Paid subscriptions renew automatically unless canceled before the next billing date.

By purchasing a paid subscription, you authorize Galactic Armory and its payment processor to charge your selected payment method on a recurring basis at the then-current price, plus applicable taxes, until you cancel.

Your subscription may renew monthly, annually, or on another interval presented at checkout.

You are responsible for reviewing the subscription price, renewal interval, included features, cancellation terms, and refund terms before purchase.

6. Billing and Payment

Payments are processed through third-party payment providers, including Stripe or any replacement payment provider we may use.

You agree to provide accurate billing information and maintain a valid payment method.

We may update pricing, plan names, plan structure, taxes, billing methods, or payment providers. Price changes will apply as disclosed at checkout, renewal, or notice, depending on the nature of the change and applicable law.

We are not responsible for payment failures caused by your bank, card issuer, payment provider, expired payment information, or other third-party payment issues.

7. Cancellations

You may cancel your paid subscription through the account tools provided on Meshmaker, through the payment portal if available, or by contacting support.

If you cancel, your paid access remains active until the end of the already-paid billing period.

Your subscription will not renew after that period.

Cancellation does not automatically create a refund unless Galactic Armory expressly approves one or applicable law requires one.

8. Failed Payments

If a renewal payment fails, your paid access may be removed immediately.

We may attempt to retry failed payments, request updated payment information, or suspend or downgrade your account. We are not obligated to preserve paid access after a failed payment.

9. Refunds

Monthly subscription payments are generally non-refundable once charged.

Annual subscription payments may be refunded or prorated at Galactic Armory's discretion, unless a refund is required by applicable law.

If a refund is issued, paid access may be removed immediately. Refunds may also remove access to downloadable files, Discord access, community features, and other paid benefits. If you have downloaded files, used paid features, violated these Terms, engaged in account sharing, initiated abusive download activity, or redistributed content, we may deny a refund request to the fullest extent permitted by law.

Chargebacks, payment disputes, or suspected payment fraud may result in suspension, cancellation, or termination of your account.

10. Upgrades and Plan Changes

If you upgrade to a higher subscription tier, pricing and access may be recalculated through our payment provider where supported.

Plan changes may take effect immediately, at the next billing cycle, or according to the terms shown during checkout or account management.

Some plan changes may not be available at all times.

11. Manual Access Grants and Revocations

Galactic Armory may manually grant time-limited access outside of standard billing systems.

Manual access grants are discretionary and may be modified, revoked, or allowed to expire at any time.

We may also manually revoke, suspend, or downgrade access in connection with refunds, bans, chargebacks, abuse prevention, security issues, legal compliance, or violations of these Terms.

12. Model Release Dates and File Access

Each downloadable model on Meshmaker may have an associated release date. File access may depend on your subscription type, subscription start date, subscription end date, model release date, and earned-model history.

Galactic Armory determines how release dates, entitlement windows, and downloadable files are applied.

13. Monthly Member File Access

Monthly Member / Specialist subscribers generally receive access to:

1. Models released during the current calendar month; and
2. Models released during the previous calendar month.

For example, if you subscribe on March 11, you may receive access to eligible models released in February and March.

During an active monthly subscription, you may also gain access to eligible models released during your active subscription period.

After your monthly subscription expires, you may retain access to eligible models that were released during your active paid membership period. These are referred to as “earned models.”

14. Annual Member File Access

Annual Member / Specialist subscribers generally receive access to the full eligible subscription catalog while the annual subscription is active.

If an annual subscription is canceled, expires, refunded, revoked, or otherwise ends, full-catalog access may end.

After annual access ends, you may retain access only to eligible earned models released during your active paid annual membership period, unless Galactic Armory states otherwise.

15. Earned Models

“Earned models” means eligible downloadable models that your account earned access to during an active paid membership period, according to Meshmaker’s access rules.

Earned-model access is not ownership of the model, file, intellectual property, brand, design, characters, trademarks, copyrights, or any other rights.

Earned models remain subject to these Terms, including license restrictions, download limits, anti-abuse rules, and termination provisions.

You are responsible for downloading files you wish to use before your membership ends.

Galactic Armory is not required to provide indefinite hosting, unlimited future redownloads, or permanent availability of any specific file.

16. Digital File Delivery and Download Limits

Meshmaker may deliver files through secure links, entitlement checks, cloud storage, download limits, and other technical controls.

We may restrict, delay, throttle, block, or review downloads if we detect or suspect abuse, account sharing, scraping, automated downloading, excessive parallel requests, library-wide queuing, resale activity, credential compromise, or other conduct that may harm Galactic Armory, Meshmaker, users, or the platform.

File sizes may be large. You are responsible for your own internet connection, storage space, software, slicer compatibility, printer compatibility, and local device setup.

17. License to Downloaded Files

Subject to your compliance with these Terms and your valid access rights, Galactic Armory grants you a limited, personal, non-exclusive, non-transferable, revocable license to download and use eligible Meshmaker digital files.

You may use downloaded files to 3D print physical copies for personal use, cosplay, display, collection, modification for your own private use, and physical printed-copy sales, subject to the restrictions below.

You may sell physical printed copies made from Meshmaker files unless a specific file, product page, license notice, or written agreement states otherwise.

This permission to sell physical printed copies does not allow you to sell, share, upload, transfer, distribute, sublicense, publish, or otherwise provide the digital files themselves.

18. Prohibited Uses of Files

You may not:

1. Resell, redistribute, share, upload, publish, leak, trade, gift, sublicense, or transfer Meshmaker digital files;
2. Upload Meshmaker files to any marketplace, repository, file-sharing site, cloud folder, Discord server, social media group, torrent, or similar service;
3. Include Meshmaker files in bundles, packs, archives, memberships, courses, subscriptions, or digital products;
4. Sell, license, or distribute modified versions, remixes, derivatives, conversions, repaired files, sliced files, pre-supported files, or alternate formats of Meshmaker digital files;
5. Use Meshmaker files to train AI systems, machine learning models, generative design tools, or automated model-generation systems;
6. Remove ownership notices, watermarks, metadata, tracking markers, or license information;
7. Circumvent download limits, entitlement checks, access controls, or security systems;
8. Use bots, scripts, scraping tools, crawlers, bulk downloaders, or automated systems to access, copy, or download content;
9. Share your account or use another person's account to access files;
10. Claim Meshmaker files, designs, or related intellectual property as your own.

19. User Comments and Community Features

Meshmaker may allow users to comment on posts, like or unlike content, edit their own comments, and participate in community features.

You are responsible for anything you post, submit, or share.

You may not post content that is unlawful, abusive, harassing, defamatory, threatening, hateful, sexually explicit, spam, fraudulent, infringing, invasive of privacy, or otherwise harmful.

You may not use Meshmaker to impersonate others, mislead users, promote scams, distribute malware, collect user information, or interfere with the platform.

We may moderate, edit, hide, delete, or restrict comments or user activity at our discretion.

20. Discord Access

Certain subscriptions may include access to Galactic Armory's Discord server or Discord roles.

Discord access is provided through Discord's platform and may depend on your active paid subscription state, Discord account status, role synchronization, and technical availability.

If your paid access ends, fails, is refunded, is revoked, or is terminated, your Discord access or roles may be removed.

Discord is a third-party service. Galactic Armory is not responsible for Discord outages, account bans, Discord policy changes, or Discord account issues.

21. Email Communications

By creating an account or subscribing, you may receive transactional emails about your account, subscription, billing, access, security, downloads, support, or policy updates.

If you sign up for email alerts, newsletters, launch updates, or marketing communications, you may unsubscribe from marketing emails using the unsubscribe link or other method provided. Some account, billing, legal, or security emails may be required and may not be fully optional while you maintain an account.

22. Intellectual Property

Meshmaker, Galactic Armory content, posts, images, text, files, collections, graphics, logos, trademarks, designs, software, user interface elements, and downloadable models are owned by Galactic Armory or its licensors, except where otherwise stated.

No rights are transferred to you except the limited license expressly granted in these Terms. All rights not expressly granted are reserved.

23. Third-Party Intellectual Property

Some Galactic Armory content may be inspired by, compatible with, or related to cosplay, fantasy, science fiction, historical, or fan-created subject matter.

Unless expressly stated, Galactic Armory is not affiliated with, endorsed by, sponsored by, or officially connected to any third-party intellectual property owner.

You are responsible for how you use printed items, costumes, props, references, names, marks, or designs in your own jurisdiction and business activities.

24. DMCA and Copyright Complaints

If you believe content on Meshmaker infringes your copyright, you may contact us at:

Galactic Armory LLC — Email: support@galacticarmory.net — Subject Line: Copyright / DMCA Notice

Your notice should include:

1. Your name and contact information;
2. Identification of the copyrighted work claimed to be infringed;
3. Identification of the material you claim is infringing;
4. A statement that you have a good-faith belief that the disputed use is not authorized;
5. A statement that the information in your notice is accurate;
6. Your physical or electronic signature.

We may remove or restrict content in response to valid notices and may terminate repeat infringers where appropriate.

25. Safety and Use of 3D Printed Items

Meshmaker files are provided for cosplay, hobby, display, entertainment, and creative purposes. Meshmaker files and printed items are not certified safety equipment, protective gear, tactical gear, weapons, medical devices, vehicle components, industrial components, or life-safety products.

You are solely responsible for safe printing, slicing, scaling, assembly, adhesives, hardware, paints, coatings, sanding, ventilation, tool use, electronics, batteries, heat exposure, structural integrity, visibility, comfort, and wearability.

You are responsible for complying with all laws, rules, event policies, venue rules, transportation rules, and local regulations relating to props, armor, helmets, weapons replicas, printed objects, costumes, and commercial sales.

Use common sense and appropriate protective equipment when printing, sanding, painting, cutting, gluing, or assembling any item.

26. Platform Availability and Changes

We may update, modify, suspend, discontinue, replace, remove, or restrict any part of Meshmaker at any time.

We do not guarantee that any specific file, post, collection, feature, Discord integration, payment method, email provider, download system, or account feature will remain available indefinitely.

We may perform maintenance, updates, migrations, security reviews, backups, or operational changes that temporarily affect access.

27. Account Suspension and Termination

We may suspend, restrict, revoke, or terminate your account or access if we believe you have:

1. Violated these Terms;
2. Shared your account;
3. Distributed or attempted to distribute digital files;
4. Abused download systems;
5. Engaged in fraud, chargebacks, payment abuse, or refund abuse;
6. Harassed users or staff;
7. Violated intellectual property rights;
8. Created security, legal, operational, or reputational risk;
9. Used Meshmaker in a way that harms Galactic Armory, Meshmaker, other users, or third parties.

Termination may result in loss of access to paid features, community features, Discord roles, downloads, earned models, account history, and other platform functionality.

We are not required to provide refunds for accounts suspended or terminated for violation of these Terms.

28. User Feedback

If you submit ideas, suggestions, bug reports, feature requests, comments, or other feedback, you grant Galactic Armory the right to use that feedback without restriction, compensation, or obligation to you.

29. Privacy

Your use of Meshmaker is also governed by our Privacy Policy and Cookie Policy, which describe how we collect, use, disclose, and protect information.

By using Meshmaker, you acknowledge that we may process account, billing, usage, download, analytics, communication, Discord, and other platform-related information as described in those policies.

30. Third-Party Services

Meshmaker may use or integrate with third-party services, including payment processors, cloud hosting providers, analytics providers, email providers, Google login, Discord, and other tools.

Your use of third-party services may be subject to their own terms and policies.

We are not responsible for third-party service outages, errors, policy changes, fees, account restrictions, or data practices.

31. Disclaimers

Meshmaker and all content, files, features, and services are provided “as is” and “as available.”

To the fullest extent permitted by law, Galactic Armory disclaims all warranties, express or implied, including warranties of merchantability, fitness for a particular purpose, non-infringement, availability, accuracy, compatibility, and uninterrupted operation.

We do not guarantee that files will print successfully on your equipment, work with your slicer, fit your body, meet your expectations, be free from errors, or be suitable for any specific purpose.

32. Limitation of Liability

To the fullest extent permitted by law, Galactic Armory LLC, its owners, officers, employees, contractors, affiliates, service providers, and licensors will not be liable for indirect, incidental, consequential, special, exemplary, or punitive damages, including lost profits, lost data, lost business, loss of goodwill, account loss, file loss, production delays, failed prints, equipment damage, or business interruption.

To the fullest extent permitted by law, Galactic Armory’s total liability for any claim relating to Meshmaker or these Terms will not exceed the amount you paid to Galactic Armory for Meshmaker access during the three months before the event giving rise to the claim, or \$100, whichever is greater.

Some jurisdictions do not allow certain limitations of liability, so some limitations may not apply to you.

33. Indemnification

You agree to defend, indemnify, and hold harmless Galactic Armory LLC, its owners, officers, employees, contractors, affiliates, service providers, and licensors from and against claims, damages, liabilities, losses, costs, and expenses, including reasonable attorneys' fees, arising out of or relating to:

1. Your use of Meshmaker;
2. Your violation of these Terms;
3. Your sale or distribution of physical printed copies;
4. Your misuse of digital files;
5. Your violation of law;
6. Your infringement or alleged infringement of third-party rights;
7. Your comments, posts, communications, or community conduct;
8. Your unsafe printing, assembly, sale, modification, or use of printed items.

34. Governing Law

These Terms are governed by the laws of the State of New Jersey, without regard to conflict-of-law rules.

35. Dispute Venue

You and Galactic Armory agree that any dispute arising out of or relating to these Terms, Meshmaker, your account, subscriptions, downloads, or platform use will be brought exclusively in the state or federal courts located in New Jersey, unless applicable law requires otherwise. You consent to the personal jurisdiction and venue of those courts.

36. No Class Actions

To the fullest extent permitted by law, you and Galactic Armory agree that disputes will be handled only on an individual basis and not as part of a class, collective, consolidated, private attorney general, or representative action.

37. Changes to These Terms

We may update these Terms from time to time.

When we make changes, we may post the updated Terms on Meshmaker, update the "Last Updated" date, provide account notice, send email notice, or use another reasonable method. Your continued use of Meshmaker after updated Terms become effective means you accept the updated Terms.

If you do not agree to updated Terms, you must stop using Meshmaker and cancel any active subscription.
